

Born Again Rock™ is the environmental rebirth of concrete into rocks made from 100% recycled concrete and other inert materials. It is offered in three sizes: fine, medium, and coarse. Born Again Rock is composed of concrete stones, tiles, and blocks that have been repurposed into multi-purpose rock for the eco-conscious consumer. Born Again Rock stands for quality products, quality service, and sustainability.

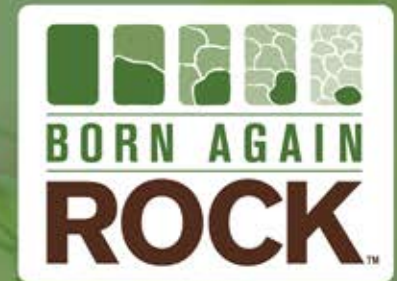

How many bags will I need?

Area to Cover	Total Sq Ft	2 in Deep	3 in Deep	4 in Deep
5 ft x 10 ft	50 sq ft	16	25	33
5 ft x 20 ft	100 sq ft	33	50	66
10 ft x 10 ft	100 sq ft	33	50	66
10 ft x 20 ft	200 sq ft	66	100	133
Or multiply sq ft by:		0.333	0.500	0.667

Printed on paper made with 55% recycled, 30% post-consumer waste

Made from 100%
 Recycled Concrete
 AND OTHER INERT MATERIALS

AVAILABLE IN:

FINE
MEDIUM
COARSE

This environmentally friendly product can be used in any type and size of home or commercial improvement project. You can use coarse Born Again Rock as drainage, use medium Born Again Rock for walkways and smaller flowerbeds, or use fine Born Again Rock as filler between pavers.

Fine, medium, and coarse recycled concrete rock is conveniently packaged and easy to install. Whether you adhere to a green lifestyle or simply appreciate the aesthetic appeal of repurposed concrete, Born Again Rock is your source for 100% recycled rock.
